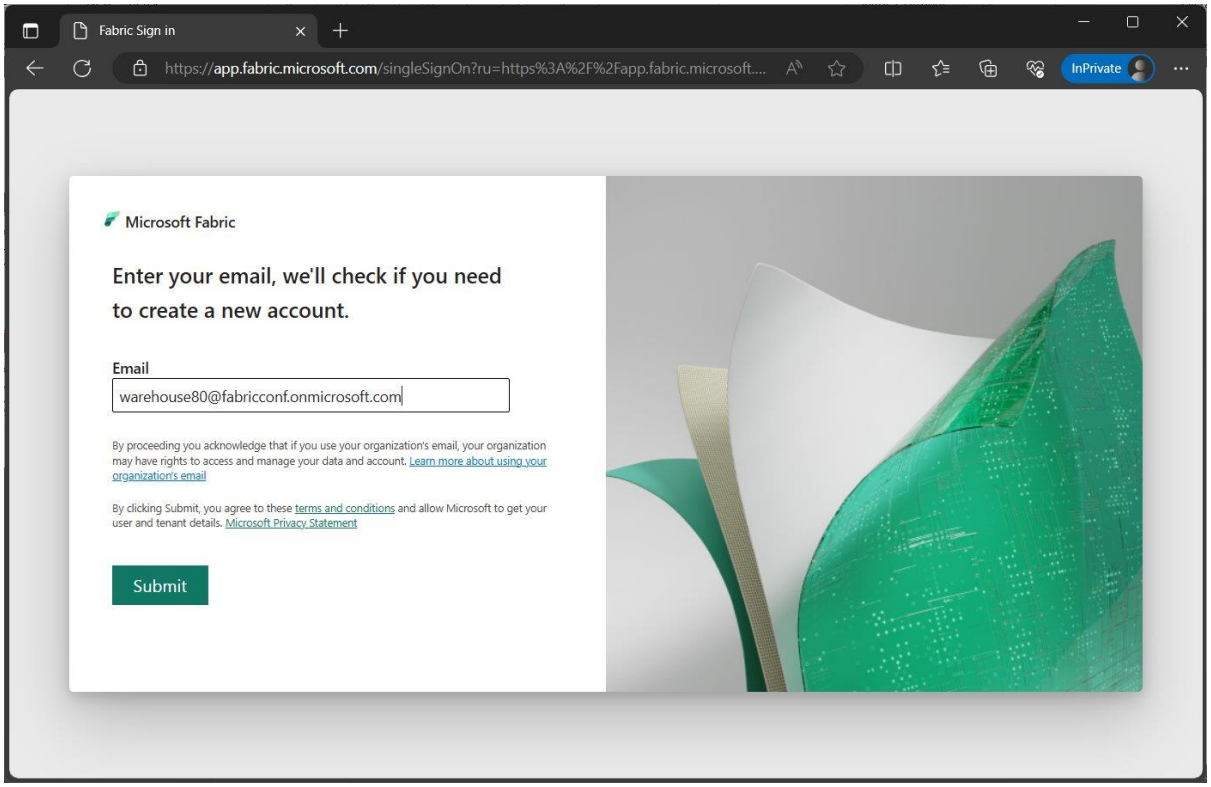
Lab 1 – Sign-in and Tenant Settings

Lab 1.1 Sign-in

There have been created user accounts to all attendees at a special FabCon tenant.

Start by creating a new profile in your browser or use InPrivate window.

- Navigate to https://app.fabric.microsoft.com/
- Login with the email address handed out to you XXX@fabriccon.onmicrosoft.com and password is Hell0Fabric
- The first time you login, you are prompted to change the password
- You may be asked to stay signed in and you can select whatever option you prefer



Notice: The users will be removed 1 week after the conference

Lab 1.2 Tenant Settings report

Navigate to the Tenant Admin workspace.

Workspaces -> Tenant Admin
